## Guarantee Endorsed by American Shorthorn Breeders' Ass'n

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age open not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.
6. Certificate of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

# Greetings

Again offering you a draft from our choice Shorthorn herd of 24 cows and bred heifers, 4 bulls and 6 bull calves and 3 heifer calves at side of their dams and a few facts as to the history of this herd, operating for 40 years, will be of interest to all lovers of what we feel confident are the logical and practical cattle for the average farmer of our great Middlewest.

My personal operations started January 1, 1900, renting the home farm and taking over together with other livestock, all of father's purebred Shorthorns. The products of O. Kimmell, Nate Roberts and Wm. Grawcock, and mating them to Royal Marshall, a J. C. Peters bred bull, winner of the Brown Rosette at the First Chicago International.

My herd of shorthorns was the nucleus for the Fort Wayne District Shorthorn Breeders Association, which claims the highest average, at auction of a two days sale in United States in 1920.

In 1917 I bought the two best heifers, and some others; they were Imp. Bapton Beatrice at \$1700.00 and Roan Beauty at \$1075.00, the tops of their respective sales. They are of the Kilblean Beauty and Craibstone Beauty tribes, and pedigrees are given for references, together with the 5 herd bulls used since then, viz: Propeller, sired by Imp. Rodney; Charisma Comet, sired by the \$17,250 Fair Acre Sultan Jr.; Gloster Regent, the C. F. Curtiss bred bull; Victorious, the son of Imp. Baronet, and Nimrod 10th, sired by Mount Nimrod Imp. of Milky Way Farms.

From 25 cows and 6 heifers (not of breeding age in 1938) when Nimrod 10th came, and beginning December 6th, 1938, when his first calf was dropped to February 6, 1940, we have had 36 calves and 6 of the heifers are yet due for their first calves. Every cow and heifer a breeder.

**Health:** On January 17, 1940 and January 30, 1940 we had our herd tested for T. B. and Bangs by Federal Accredited men and every animal was Negative to test. Pedigrees and health certificates furnished for every lot.

**Terms:** Cash with transfer of ownership as soon as bid off. Breeding dates furnished on sale day.

Sale starts 12:30 p. m. Lunch on grounds.

**Ellenbarger Bros., Auctioneers**

Sale on farm located 20 miles Northwest of Fort Wayne, Ind. in Noble County. All roads improved.

From La Otto, Ind., on No. 3—6 miles due West.

From Churubusco, Ind., on No. 33—4 miles due North.

From Meriam, Ind., on No. 33—6 miles due East.
